DEDICATION

DR. G. E. WOOD

TO A HELLUVA SWELLUVA GUY

Dr. Wood has spent thirty year serving as a valuable member of the Melrose High School English Department staff. He is retiring this year and he will be missed. He plans a relaxed retirement with more free time. He is going to continue teaching part time at Middlesex Community College, but will leave more time to reading for leisure. Dr. Wood is also planning to spend some time travelling. He will visit with his son and two grandsons in Seattle, Washington, and his son in Florida. Some of his remaining newly freed time will be spent pursuing the online world.

Dr. Wood, thank you for all you have done for Melrose High School and *good luck* with your retirement.

OPENING

After three years at the Middle School, the class of 2001 earned a great reputation and was ready to move on. Nevertheless, as we crossed the infamous bridge, maturing children into young adults, no one knew what to expect from the first class of the millennium. It would be a series of first impressions that would establish us as a class and what would begin an unforgettable four years: that now that it is over, it is definitely worth reflecting upon.

There have been many first impressions over these past four years. The obvious one being the first impressions each one of us made on every teacher, coach, administrator and faculty member. Though some were good, others were not, yet our reputation as a class gave off a positive attitude and the possibility of a promising future. However, we were not the only ones making the first impressions. After a difficult year of teacher contract negotiations, Melrose High said farewell to many teachers and welcomed over thirty new teachers along with a new principal, Dr. Daniel Burke. Each one of those people made a first impression on us as well as on each other. Opinions were quickly formulated, but overall, the class of 2001 knew that change can be positive and understood that this would only benefit the school and community.

The title of Log 2001 is First Impressions, Past Reflections because we felt that the impressions made are worth reflecting upon. Everyone has made an impression of some sort on someone or something and now we can reflect on what we have accomplished over the past for years. This log will show how a class once divided can overcome any obstacle and come together to finish high school as one unit, and on a high note. Now, we can use this book to reflect on past class events, for example our freshman and sophomore semis, sophomore field day, and junior and senior proms. We also learned how a disappointing senior Halloween Dance did not stop us from having a magical senior Winter Ball, not to mention the treasured athletic events such as Thanksgiving football games and championship runs. Most importantly, we can see how we have matured into intelligent, courteous, respectful, and responsible young adults. Now we invite you to reflect on the past four years and see the impressions we have made and the imprint we have left behind.

SENIOR CLASS ADVISORS

MR. DISANTO AND MS. LOSI

To Mr. Disanto and Ms. Losi:

You have stuck with us through all four years of our high school experience. Through these times, we have gone through a lot and you have been there every step of the way, from helping plan important class events to being great teachers. We'll never forget how much you have done for us because it has given us memories to cherish for the rest of our lives. Thank you for making our high school years exactly what we had hoped they would be.

To the Class of 2001:

It all began four years ago when you came over from the middle school with apprehension and excitement in your eyes. Your 9th Grade experience began. Roaming through the halls you began to understand what high school was. You even began to learn the secret ins and outs of Melrose High School. What you had started to become was a true high school student. Then came your eventful sophomore year. You held a Sophomore Semi-Formal which was the first of its kind, and even brought back the Sophomore Field Day which was also a huge success. These were simply two of the many activities and events which brought you together as a class. Then junior year, who could forget that? Who could forget the Hawaiin Dance, the Football Turkey Bowl, the Girls Basketball team in the State Championships, or the League Champion Gymnastics team? To finish off the year you held the Junior Prom at Ferncroft and that was enjoyed by all. Then came this year, your Senior year. By now you have all grown into new people. Whether it is a musician, an athlete, a leader, or a great friend, you have all made an impact. You will take with you many memories from your final year, especially "Teenage Mutant Ninja Turtles" and foam fingers.. Most of all you will remember your friends and the great times you shared. Our four years as your advisors have been challenging and rewarding. We have witnessed a great deal of growth in each and every one of you and have been an active part of your high school years. Thank you for all your hard work and persistence. We hope you have enjoyed these four year at Melrose High School as much as we have. Best of luck beyond high school and we look forward to seeing you all again.

PROFILES

Class of 2001

The profiles section of the yearbook has always been unique. It is the one section of the yearbook where the seniors can truly show their individuality. They can show what they have done in their high school years. They can remember all the good times they had with their friends. This section is one that fits the theme of the yearbook perfectly. By looking at a senior's picture, one gets a first impression. By reading their profile, one can see their past reflections. So go on and get a glimpse at the class of 2001!

STUDENT LIFE

Student Life

Time spent with each other is what brings a class together. When looking back at our years in high school, homework and tests are not the first things that pop into our minds. We will always remember our proms, parties, and especially the friendships we have formed.

From our *First Impressions* of Melrose High to our *Past Reflections* of the freshman and sophomore semis, to more recently our junior and senior proms, these past years have been unforgettable.

Our class will be remembered to have survived some of the most difficult changes. As a class we have successfully overcame as many schedule changes as years in the school, two different principals, teacher contract negotiations, and lastly the shortening lunch and passing time in-between classes. It has been quite a ride, but because of all these changes we the class of 2001 are ready for anything the world will throw at us.

KIDS IN

Above: **Brandon Roberts** plods to A block half asleep while thinking, "Did he just take a picture of me?" Center: **Myrna Jean-Charles** shows she's not the least bit camera shy as **Jill Lombardelli** laughs at this craziness and **Colleen E. Snow** opts to pass on the picture taking. Bottom Left: "What class do we have?" asks **Anna Singer** to an amused **Rebecca Casey.** Bottom right: **Leo Green** shows that school is no laughing matter.

THE HALL

Above: **Sean Brith** knows life is good when he has **Leah Bartlett** and **Liza Anagnos** by his side. Bottom left: **Kathleen Mayo** comes out of hiding for a quick pic. Bottom right: **Quiana Copeland** has a reason to smile-a free ride to Providence College!

JUNIOR PROM
"A NIGHT OF MEMORIES"

Top Left: "Look out girls-this is MY picture!" exclaims Jen Porcaro to Andrea Smith and Ashley Corbin. Top Right: Ben Calef shows he is a true chivalrist while dancing with his dancing queen Theresa Melito. Center: Jill Lombardelli opts not to wear her glamorous volleyball uniform tonight! Center: Jeff Baxter and Jayra Rivera. Center: Forever friends Chris Dunne and Colleen E. Snow. Bottom right: Myrna Jean-Charles flaunts her jewels and proves that diamonds are a girl's best friend.

The night of May 19th was an important one for the class of 2001. It was our first prom, our stepping stone into senior year. After all the months of finding dates, dresses, tuxes, and limos, the long anticipated evening arrived. When the music stopped playing, and the dancing ended, we packed into the limos, to think back with nostalgia on one of the many special moments in high school.

Top Left: "You guys can't be serious?" asks a reluctant Kristin Laffey to party girls Vanessa Doto and Courtney Hayward. Top Center: Apparently mom's cooking is way better than the catered stuff we had at the prom. Top Right: "Yeah-that's right. I am the best dressed at the prom!" says a smug Nicole Labo. Center Left: Laura Fauss's glowing smile pretty much sums up the prom! Center Right: Lou Carouso smiles while thinking, "Don't I look sweet?" Bottom Left: "Don't we look just alike?" asks Katie Sikkema to an agreeable Dave Bearse. Bottom Center: "We look pretty damn good!" exclaims Nicole Spataro to an equally decked out Ashley Kunberger.

Fall Pep Rally

Swimming, Soccer, Golf, Volleyball and Field Hockey incorporate some humor but show complete determination while telling the school about their outlook in the Fall 2000 season as ***Jaclyn Albanese*** conducts the Pep Band to pump up the crowd.

Smiles across the board from the Cheerleaders, Dance team, Cross Country and a little chuckle from the Football captain ***Jonah Beckley.***

The Boy's Soccer captains get the crowd going while ***Ben Calef*** introduces the team. ***Dan Lounsbury*** has a more serious and determined outlook for Cross Country and ***Peter Duggan*** blows everyone away with his awesome trumpet skills.

Halloween Dance

Top Left: **Natalie Powers** and **Stef Tocco** are this year's sumo wrestlers. Top Right: **Tom Casey** and **James Ashley** are the only two who could pull something this "shagadelic" off. FACULTY

FACULTY

Over the past four years, the Class of 2001 has seen the return of many familiar faces and welcomed many new names. We have said goodbye to many good friends and seen the arrival of many new ones. The faculty of MHS has supported the students during four years of many changes. Along with the students, they have experienced numerous schedule changes and the arrival of a new principal. The faculty has played one of the most important roles in our school. They have been there over the years to support the students and give leadership. In innumerable ways, they have helped to shape the lives of many and will continue to do so in the years to come. The Class of 2001 would like to say thank you to the faculty of Melrose High School for all their support.

Reflecting on Seasons Past

At Melrose High School, sports play an important part in the lives of many students. It takes a lot of time, hard work, and dedication to be successful as a student athlete at MHS. Regardless of wins and losses, each athlete gains special memories that will not soon be forgotten in the years ahead. With many outstanding teams in our years at MHS, the fans have become part of the spirit and pride of our athletic teams. Their ongoing cheers and endless support encourage our student athletes to be their very best. As we reflect on seasons past, we will always remember the bonds we have created with our classmates, friends, teammates, and coaches. We have competed among the best in the grueling Middlesex League and we can proudly say that WE ARE MELROSE!

This year's baseball squad worked hard to improve on last season's record. Last season, the club fought hard against league rivals Wakefield and Stoneham, missing the state tournament for the first time in five years with a record of 6-14. Some exceptional playing came from All-Stars Matt Basteri and Dave Marinelli as well as Mark Drauschke. Returning to the line up were Ryan Bremberg and Vinny Milano, who both had stellar seasons. Major contributions also came from Nick Ward and Chuck Perault. After graudating some of these key players, this year's team knew they would have to get contributions from all angles.

Co-captains **Rich Gould** and **Al Gregorio**, both returning to the diamond from last season's team, lead the Red Raiders Baseball team in 2001. Adding some punch to the line up this time around will be seniors **Evan Butler**, **Mike Dustin**, **Adam Phillion,** and **Jack Thompson**.

The 2000 Girls Softball Team finished off an impressive season by making it all the way to the North Finals in the Massachusetts State Tournament. After an exciting victory against Wilmington in the Semi-Finals, the Lady Raiders faced Concord Carlisle. The Concord team was too much for the Raiders to handle, but their loss was not at all a disappointment to the team. The team made it as far as they did in the tournament because of the outstanding leadership given by captains Maggie McClory and Katie Mahoney. Along with the three other seniors, Jenny Spinosa, Linn Brown and Tara Stanford, there were also underclassmen who had key roles in the Lady Raider's success. **Jaclyn Albanese** and **Jen Scully** got the job done up at bat and played well defensively. Keir Stanford (02) also showed throughout the season that she was an important player on the roster. Contributions by **Ashley Corbin**, **Vanessa Doto**, Andrea Basteri (02), Shannon Kirwan (03), Annie Schweihs (03) and Bridget Daugsiewicz (03) also added to the team effort that took the girls all the way to the North Finals. Good luck to the girls in their 2001 season led by captains **Jaclyn Albanese** and **Jen Scully**. Hopefully they can make it out just as far in the State Tournament with the help of their returning varsity players.

The 2000 Boys spring track team finished the season with a record of 2-7 with the two victiories over Winchester and Belmont. Despite the team record, Melrose had many outstanding performances. Chris Friedrich proved to be one of the best javelin competitors in the state. Chris Rafferty was the most important point scorer for the team winning one or more events every meet. Pat Kent dominated in shot-put and discus. Finally, **Dan Lounsbury** led the distance events finishing with an undefeated season. With this year's seniors potential and skill, and the coaching of Tim Morris the 2001 spring track team will prove to be a very successful one.

This year's spring track season was dedicated to Coach Somerville. Every member of the track team will always remember his years of hard work and dedication. He has left a lasting impact on each and every one of us. Thank You Coach.

The 2000 spring track season was filled with hard work and effort. The team was lead by Caitlyn Mead, Katie Hennesy, and Erin Thorpe. The team really pulled together to defeat both Watertown and Winchester. Although these were the only wins for the team they remained competitive in every meet.

The team had many outstanding individual performances. Captain Erin Thorpe was named Middlesex league all-star in the two-mile. She also placed in the Emass championships which qualified her to compete in the all-state meet. Also, Captain Caitlyn Mead was named Middlesex League All-Star in the 400. Both dominated their events throughout the season. Captain Katie Hennessy, May Kourtz, and Katie Dakin, also were vital to the team's success and worked hard at their own events.

The 2001 season will be competitive even though they will have lost many strong seniors. Next year's captains **Leah Pearson**, **Patricia Coveney**, and **Rebecca Casey** expect it to be a rebuilding year. Their goals are to improve their team record and to reach their personal best in each event. The returning underclassmen hope to accomplish this.

Last year they had a young team led by number one singles player and captain, Mike Flynn, and Dave Pizzano and Dan Borken at first doubles. Juniors Mike Milano, Tim Ryan, David Silverstone, Franco Pellegrini, and Matt McCarthy will help to rebuild the team. They hope that with the arrival of new talent and more hard work and dedication, the team will bounce back to the tournament.

Two newcomers to the team, playing second doubles, were **Caitlyn LeBlanc and Jill Lombardelli**. Also contributing a great deal to the team were Seniors **Allison Akell, Julie McDonough, Nicole Labo and Nicole Lento**.

The girls always had fun on and off the court, from singing to mix tapes on the bus rides to having pasta parties the night before a big match. The girls are hoping to have another great season in 2001. With hard work and determination the Seniors will try to lead the team to the state tournament.

Practice till dark, full field suicides, hundreds of pushups and sit-ups; all the hard work and effort finally came through for the boys' soccer 2000 season. "You will only go as far as the team goes," said Coach Dean Serino, and this year, the boys came together as a family, on and off the field, and made that statement a reality. After three disappointing seasons with losing records, the boys earned a winning season of 11-6-1, a post-season appearance, and one of the best boys soccer records in school history.

Tri-captains **Dan Thelen** (#15), **Ben Calef** (#7), and **Grant Mathews** (#17) displayed strong leadership and led the team to its first tournament berth in over 4 years. Built behind the stellar defense of **Dan Thelen, Ben Calef, Zack Gurard-Levin** (#8), Mike Milano (#14), and Brian Binari (#22) and the excellent goalkeeping of senior **Ted Kakambouras,** the Red Raiders made it all the way to the quarterfinals with a tournament win over the Salem Witches 3-1. However, the dream came to an end when the team went to East Boston. Through harsh winds and on artificial turf, the team fought until the end, but came up short in a 1-0 loss. Although it was emotional, that only meant that everyone took great pride in the season and cared about each other.

Dan Thelen, Dan Backman (#11), and junior Ryan Johnson (#9) were league all-stars, Ryan also up for MVP of the league, and **Ted Kakambouras,** Mike Milano, and **Ben Calef** were honorable mentions for all-stars. Still, this was not about individual skill, but about a team, one unit. This included weekly team pasta parties and other team gatherings. When all was said and done, this team left its mark on the league and Melrose, proving that they were for real.

Top Left: **Dan Backman** chases after the ball towards the goal. Far left: **Grant Mathews** look for someone open, Ryan yells for **Grant** to "try it, try it!" Middle: Looking professional, tri-captains **Ben Calef, Grant Mathews,** and **Dan Thelen** stand with Coach Serino.

The team gathers together after their 4-1 victory. Little did they know that two months later they would be one of the best boys soccer teams in Melrose history, and that they would be playing in the tournament.

Despite being a rebuilding season, the 2000 girls' soccer team was filled with much talent. With eight seniors who have played together since elementary school, the team had close bonds that could not be broken. The captains were **Allison Cascio, Kathleen Romano,** and **Rebecca Casey.** The other seniors included **Allison Duggan, Patricia Coveney, Denise Carlson, Meredith Mills,** and **Liz Jennings.** Despite their record, the lady raiders had a very successful season with **Kathleen Romano** being named league all-star. Underclassmen standouts included Tara Higgins, Keir Stanford, Kelly Turner, and Alexandra Zedros. Coach Keiron O'Brien and assistant coach Patrick Rocks shared their soccer expertise in their first season coaching the team. The senior leadership from this season will be greatly missed.

A Memorable Season

Senior **Natalie Powers** wait with her stick on the ground as her teammates down the field work hard defensively.

Senior **Julie McDonough** intimidates her opponents with her concentration on the play as she waits on the wing for a pass. Playing a key role on the Raider's offense **McDonough** earned a place on the Middlesex All-Star team.

The 2000 Girls Field Hockey Team (from left to right) (front row): **Jessica Crowley, Allison Akell, Jennifer Malenchini, Colleen Blanchard, Julie McDonough, Maureen Grafton** (back row) Meghan O'Hara, Diana Aversa, Julie Chavenne, Casandra Tousek, Taylor Cronin, Leigh Catalogna, Michelle Caso, Katherine Egan, Emily Mathison, Kiley Herrick and Coach Jan Johnston

If success is measured by the number of games won in a season then the 2000 girls field hockey team was not that successful, but if it were to be measured by the good times and memorable friendships that were made then it could be said that this had been one of the most successful seasons ever. At double sessions this year, our starting goalie got hurt and there was no one to take her place. In our desperate search for a goalie, Julie Chavanne and Leigh Catalongna stepped up to give it a shot. These two girls would end up playing goalie for us for the rest of the season and did an amazing job.

This years team had an outstanding groups of players. The front line was led by co-captain **Jenn Malenchini** who played inner. **Julie McDonough** did an outstanding job at left wing earning herself a spot on the All-star team along with junior mid-fielder Meghan O'Hara. Katie Egan held tough on the right wing scoring several goals for the Raiders and **Maureen Grafton** and Taylor Cronin always were ready to score from their inner positions. Senior Allison Akell also contributed up front with her delicate pushes into the net to put points on the board for the Red Raiders. At mid-field **Natalie Powers** and Michelle Caso proved to be a dynamic duo. Natalie had an aggressive attitude and hustled for the ball and Michelle could drive a ball better than anyone else around. Also at mid-field was Meghan O'Hara who knew just where to be at all times and how to play her opponents.

The defensive line had a tougher job this year because they wanted to protect their goalies. Co-Captain **Colleen Blanchard** played right back using her mid-fielders to help her clear the ball out of her end. Juniors Emily Mathison and Kiley Herrick also helped in the defensive end flying from corners and marking tight on their opponents. The powerhouse in the defensive end though was **Jessica Crowley.** Jess possessed a aggressiveness and eagnerness to play unlike anyone else and she did a great job every time she stepped out onto the field.

The 2000 girls field hockey team may not have had the best record but is one that came together as a group and created a bond that will last for a long time. In their minds this was a greater success than and undefeated record.

Senior **Maureen Grafton** uses her great stick skills as she fakes out her opponent before heading for the goal.
Co-Captain **Jenn Malenchini** hustles to the ball as she watches her teammates work to score a goal in the Lexington net.
Senior **Allison Akell** drives the ball up the field to another Raider as she works hard offensively to pt some points on the board for Melrose.

Junior Diana Aversa, Taylor Cronin, Julie Chavanne, Meghan O'Hara and Michelle Caso smile for a picture with Seniors **Julie McDonough** and **Allison Akell.** The friendships the girls have formed while playing together will be the most memorable part of their 2000 season.
Co-Captains **Jennifer Malenchini** and **Colleen Blanchard** pose for a picture with their coach **Jan Johnston.** Both captains demonstrated great leadership and responsibility throughout the season on and off the field.

This year's golf team had an excellent season ending with a record of 7-2. The only two losses were to Woburn and Winchester leaving us in third place for the final league standings. To give a name to just one outstanding golfer on this team would be misleading. Three different players held the number one seat on the team. The season started out with Paul Glavin heading up the team but changed to Andy Lane before long. Andy held an undefeated record as well as finishing first in the northern qualifying round for the state tournament making him the north medallist. In the finals of the tournament, both Andy and Captain Dary Porter played. It was Andy's fourth place finish due to a technicality that illustrated his consistency. His season ended by being named an all-scholastic. Not even Lane could hold up to Andy Walsh who lit up the course in an amazing round that placed him at the head of the team. All three of these players had their turn at the top. It wouldn't be right to leave out giving recognition to the rest of the team. This year the format required a ten-man team which was a difficulty because last year it only required eight. Having all ten men count makes it imperative to have depth on the team. It was proven by the record this year that the team had this depth and thanks to the younger players who really stepped up this year the team will have the same strong drive next year as it did this year.

Catching fire and capturing their first five wins was an early indication of the success that was in store for the 2000 Lady Raider Volleyball team. Following a 5-13 disappointing season, the Lady Raiders returned with eight seniors. Co-captains **Jill Lombardelli** and **Courtney Hayward** provided leadership throughout the season, which led the team to perform beyond expectations. The Raiders finished the regular season with a record of 13-7, which qualified them for the division one state tournament. With new coach, Scott Celli's hard work, he motivated the team to work together toward common goals. One of the most memorable games was a straight set 15-6, 15-2 victory against Hamilton Wenham. Melrose came into the game with the intensity and determination that they could win. Another inspiring win came against Stoneham. Melrose had lost the first game 8-15, then battled back to win the next two 15-8, 17-15. The combination of talent and chemistry on the team combined to produce a very successful team. Not only did the team accomplish all of its goals set in the preseason, but also had fun working together daily, to become better as individuals, and as a team. Junior Andrea Basteri, and seniors **Jill Lombardelli** and **Vanessa Doto,** were selected to the All-Star team. The team went on to make history, by winning the first tournament game in Melrose volleyball history, which was against Arlington Catholic. Appreciation, and many thanks go out to all of the seniors as they head out on a new and exciting journey. Good Luck Girls. Memories from the season include- T-ping, lunges, pasta parties, j.o. on the bus, ball throwing, Queen of the court, singing on the bus, and of course the AC game.

Girls Swimming

Swimming To The States

Juniors Meghan Sullivan and Molly Aspen hug wishing each other good luck in their next event the 100 freestyle. This season was Meghan's first as a varsity swimmer, but she worked hard and both of the juniors got great times at the League Meet at the end of the season.

Senior **Mary Clancy** takes a breath during her event the 100 breastroke. Coming onto the team as a first year senior, Mary was always the first in the water and set a great example for the underclassmen.

Freshmen Allison Cairns, Christine Sullivan, and Jackie Scully all worked hard during the 2000 season and pulled off great times as underclassmen. This picture break was well-deserved considering that both Scully and Sullivan served as alternates for the 200 freestyle relay that qualified for the State Meet.

Captain **Nicole Spataro** demonstrates her picture perfect butterfly stroke. Spataro qualified for the Sectional Meet in both the 1(backstroke and 100 butterfly, events which she excelled in throughout the season.

2000 Girls Varsity Swim Team (from left to right) (front row): Allison Cairns, Paula Singer, Rachel Cook, Ashley Needhar Kathryn Clancy, Aimee Porcaro, Cameron McGrail, Jacqueline Scully, Christine Sullivan (back row) Coach Deb Deacon, Mol Aspen, **Ashley Farrell, Jennifer Scully, Nicole Spataro, Courtney Morris, Mary Clancy,** and Meghan Sullivan

Coming into the 2000 season with only 16 swimmers the Girls Varsity Swim Team did not expect any miracles when competing against the competitive teams in the Middlesex League with over 50 swimmers. We feel that the record of 1-8 does not reflect how successful of a season it was for the Lady Raiders of Melrose High School. Not only did the team get many first year swimmers to add to the future of the program, but they developed many new friendships with students they never may have connected with. Captains **Jennifer Scully, Courtney Morris,** and **Nicole Spataro** demonstrated great leadership throughout the season during practice and at the meets. Everyone's hard work reflected their times at one of the last meets of the season at Bentley College. At the League Meet, many of the girls dropped seconds off of their best times, including Senior **Mary Clancy** who did exceptionally well in both of her individual events. Senior **Ashley Farrell** also finished off her swimming career with a best time in the 100 freestyle. Freshman Paula Singer, Jackie Scully, Christine Sullivan and Allison Cairns showed once again that they will be key parts of the squad for the next four years. Sophomores Kathryn Clancy, Aimee Porcaro, Ashley Needham and Rachel Cook, all first year swimmers on the team, worked hard and finished off the season on a positive note with personal best times. Juniors Meghan Sullivan and Molly Aspen did well not only at the League Meet but throughout the season. Sophomore Cameron McGrail did unbelievable once again as she set a tremendous example for the underclassmen throughout the whole season. McGrail, along with **Scully, Morris and Spataro** brought the 200 Medley and 200 Freestyle relays to the Sectional Meet. **Spataro, Scully, and Morris** also competed individually, but the highlight off the meet was the girls qualifying for the State Meet unexpectedly in the 200 freestyle relay. They took their relay to States where they got another best time and represented Melrose High among the best athletes in Massachusetts. Making it to the States is a true reflection of the team's success and their personal accomplishments really describe how well all of the girls performed during the 2000 season.

Senior Captains **Nicole Spataro** and **Courtney Morris** smile to the camera after getting personal best times in the 100 backstroke, an event which both of the girls competed in at the Sectional Meet at the end of the season.
Senior **Ashley Farrell** rotates to the side to take a breath before recieving a best time in the 50 freestyle. After swimming on the High School Team for five years, **Ashley's** team spirit and enthusiasm will be greatly missed next season.
Senior **Jen Scully** smiles to the camera as she sprints one of her favorite events, the 100 backstroke. **Scully** qualified for the Sectional Meet in the 50 freestyle, 100 freestyle and 100 backstroke during the season.

Seniors **Mary Clancy, Nicole Spataro, Courtney Morris, Jen Scully, and Ashley Farrell** are finding it easy to tread water for the time it took to take this picture. The girls worked hard all season and their dedication and commitment paid off at the of their senior year in the championship meets.
Captains **Jen Scully, Nicole Spataro, Courtney Morris** and Coach Deb Deacon pose for a picture.

Our team this year, headed up by captains **Mike Festa** and **Dan Lounsbury,** had a good season. Although we finished the year with a 4-5 record, we were able to beat 5 teams in the league meet. We would like to thank everyone for putting in the training during the summer and for working hard during the season. We would also like to thank our coach Mr. Allison for all of his dedication and the girls coach Mrs. Corbett for all of her hard work. **Dan Lounsbury** also deserves special reorganization for earning the League MVP award; he was the number one runner in the ten-school Middlesex League. Good luck to next year's captains, Matt McCarthy and Shawn Tagan and good luck to next year's team.

The 2000 Melrose Girls Cross Country Season was the best Melrose has seen in over fifteen years. The girls finished their season with and amazing record of 6-3 with their only losses being to Reading, Lexington, and Woburn (by only three points). Captains **Leah Pearson, Adrienne Johnson,** and **Jessica Broadley** recruited a twenty girl team, including eleven new freshman, three of which were awarded varsity letters. The top seven consistent point scorers and letter winners included **Leah Pearson,** Jackie Haker, Johanna Tower, Sophie Mastuda, Jamie Pearson, Amanda Kotzuba, and Amanda Lanza. The 2000 football season for the Melrose Red Raiders, while not the most successful in terms of wins and losses, was a success in other ways. The team, lead by Captain and League All-Star **Jonah Beckley** along with an expert coaching staff, displayed a great deal of enthusiasm and drive. Their record was not a reflection of their effort, but rather of the vast skill demonstrated within the highly-competitive Middlesex League. The relentless work ethic and fight of the Raider team was best shown in their thrilling come-from-behind victory over Watertown.

Although the team had few seniors this year, those they had were tremendously valuable both on and off the field. The Raider offense was lead by a senior backfield including quarterback **Matt Campbell,** fullback **Sim Parsons,** and tailback **Andy Hagen.** The line was anchored by seniors **Evan Butler** and **Rob Opacki,** who fought hard all season. The example set by all of this year's seniors, and the experience gained by the underclassmen, will help to mold the team for future success.

Top Right: **Evan Butler** looks on wishing that he was out there with his teammates. Evan's knee injury recovered before the end of the season and he was able to come back and help out the Raiders at both offensive and defensive tackle. Far Right: **Captain Jonah Beckley** has his game face on as he leads his team out on to the field. What a year? As of this writing we are four games away from the State Championship. That's been our goal since last season. Along the way we have completed a very successful regular season. We are undefeated Mdidlesex Leage Champions for the second consecutive year. Even though we lost four starting seniors, we returned with a great deal of experience. Providence bound superstar Quiana Copeland has had another outstanding season. Setting a precedent by being the first Melrose High School basketball player, either male or female to get 1000 points and 1000 rebounds. Quiana has had help from a great supporting cast. Team members include juniors, Liana Pedi and Andrea Basteri, sophomores, Shannon Kirwan, Lindsay Shanahan, Oyin Aderibigbe, Aimee Porcaro, Ashley Needham, Cameron McGrail, and Bridget Daugsiewicz, and freshmen, Marianne Foley and Erin Hudd. We hope to finish the season with a state championship and make this an even more memorable season!

The Melrose High boys basketball team finished the 2000-2001 season with 5 wins and 15 losses. The teams effort is not reflected well in their record, as they were in every single game hustling all over the court every second of every game. The boys had a huge upset, defeating Middlesex League opponent Watertown. Tri-captains **Dan Thelen, Andrew Herlihy, and Jonah Beckley** led this year's team. Senior members of the team include **Dan Alcala, Adam Phillion, Ted Kakambouras, Rich Gould, Shawn Terry, Tom Casey,** as well as the three captains. In addition, the team was led by a new head coach, John Vinning, who hopes to keep the team going strong in Melrose. Best of luck to next year's team!

The 2000-2001 Red Raider Hockey team began the season with high hopes that they would again skate their way into the state tournament. Hard work and dedication seemed to be the key to their success. Although they faced their share of obstacles, the Red Raiders came together and worked as one. Seniors**Bill Colella, Kevin McGovern,**and **Capt. Jack Thompson** were just three of the key players that guaranteed points on the board. The underclassmen did not just hang by the waist side though; juniors Andrew Walsh, Matt Schille, and Nick Call pushed their opponents out of their end with their outstanding defense. Peter Milligan and Kenny Powers were the two sophomores who stepped up to the challenge and put points on the board for the team, as well as stopped their opponent. Freshmen Mike Koslowski and Matt Antolini made the team fun to watch and showed the crowd that the future of the Red Raiders will also be a success. Captain's Jack Thompson and Al Gregorio played a key role in the success of the team, sharing with the boys their experiences as members of the varsity squad for the past four years. Their leadership kept spirits high and a want to win in the hearts of all the players.

Although there may have been obstacles in the Red Raiders way they pulled out on top with an outstanding win against number one team in the league, Winchester. Goalie Adam Scibelli, played and outstanding game and gave the team the extra push they were looking for. After that it was nothing but success. The Red Raiders made the state tournament, but lost in a well-played game against Matignon High School. The Red Raiders shot for the stars and in the end were a success.

This year's Melrose High School Wrestling team finished up with an excellent record of 10-8-1. Along with the expertise of Head Coach Jon Puleo and Asst. Coach Todd Oljey, each one of the members of the team put in their part. With the combination of the newer wrestlers pulling it together and the veteran wrestlers stepping it up, the team earned its place as one of the tougher teams in the league. The team also saw many of its members to the post-season tournaments where Melrose High School was represented proudly and victoriously. At the Middlesex League Tournament held in Melrose, there were six placers with four coming in 4th Place: Paul Calabro, **Adam Jaroszewski, Anthony Genovese,** and **Derek Kreymer. Greg Pease** took a third and **Adam Bagarella** took a 1st place finish. The following week at the Sectionals Tournament, Melrose had nine placers. **Mike Festa** took a 7th place along with Paul Calabro. **Derek Kreymer** took an 8th place finish, and **Anthony Genovese** and Joe Tortora finished at 6th. The wrestlers who qualified for the State Tournament were **Greg Pease** and Mike Miller finishing at 5th place, **Adam Jaroszewski** who took a 4th, and **Adam Bagarella** who took a 1st, becoming the 2001 Division II North Sectional Champion. **Bagarella** also took a 5th at the State Tournament. The team did a great job this year and should be proud of what they accomplished this season. They'll leave this year with many great memories. Each and every wrestler worked hard, wrestled their hearts out, and gave it all they had.

These three athletes will be remembered for many years to come, not only for their individual accomplishments, but also for the way they led the younger gymnasts through their fun and successful season.

The 2001 Girls Gymnastics Team was expected to have a lot of potential this season, with many talented athletes comming back from last year's squad who brought home the League Championship. This year's team performed up to their expectations, finishing second in the Middlesex League with only one loss. They began the season with five of the top competitors injured, but remained strong and won their first five meets. Then at the Wakefield Dual Meet the girls broke the 1999 school record (135.7) with an unbelieveable score of 136.05. Later on in the season they traveled to Woburn along with many of their fans in hopes to become League Champions once again. Although the meet did not end in the Lady Raiders' favor, they pulled together and beat Woburn at the League Meet with a score of 137.25, which also broke the school record they held from the Wakefield Meet. Even though the outcome of the League Meet does not determine the league title, these athletes proved they could compete with the best of the Middlesex League. Seniors Stefanie Tocco, Meaghan Montani and Kristen Murphy's compteted exceptionally during their last season and all three girls will be greatly missed next year. Despite the many injuries the gymnasts suffered throughout this season, the 2001 squad was one of the strongest Melrose High School has seen in years, and will hopefully continue to be successful for years to come with the help of the talented underclassmen.

The Boys Swim Team had a respectable season this year, finishing fourth in the league with a record of 2-3 under the leadership of captains **Dan Bachovchin** and **Alex Lawson.** Losing close meets to Belmont (by one point) and Reading, the team was better than the record indicated. Seniors **Dan Bachovchin** and **Dary Porter** and Freshman Dan Broadley were named Middlesex League All-Stars. **Dary Porter** qualified for Sectionals in the 100-yd butterfly and Dan Broadley, the 200-yd IM league champion, qualified for Sectionals in that event and in the 100-yd breast stroke. The team was composed of a strong core of nine seniors: **Dan Bachovchin, Eli Brown, Nick Finch, Zack Gurard-Levin, Alex Lawson, Grant Mathews, Sean Musselman, Dary Porter, and Doug Simmons.** Although much of the team is graduating, we look forward to a great season next year.

Below: Filled with spirit, Sophomores Jennifer Lanza, Megan Driscoll, and Jennifer Dunne, cheer on their teammates on the track.

With only two seniors this year the girls winter track team had to utilize a lot of young talent. The team was lead by the seniors **Rebecca Casey,** and **Patricia Coveney.** The team as a whole was one of the best. Although our record didn't show it, in spirit we were number one. No matter how high the score was we always managed to keep our heads up and always remembered to have fun. Having fun was one thing we were quite good at, the bus rides with DJ Trish, the never-ending pasta parties at Rebecca's, Tricia's, Bruni's and Alex's, not to forget the trip to Fridays. With all this, practicing at the Knoll didn't seem to bad. Not to mention how good we looked in our new warm ups. With the experience gained this year by many underclassmen future seasons look to be more successful.

Middle: Junior Liz Castro clears yet another successful high jump. Liz proved to be an asset to the team this season. Middle Right: Co-Captains **Rebecca Casey** and **Patricia Coveney** stand with Coach DiSanto and Coach Losi.

Middle: Junior Mike Bruni prepares to powerfully throw the shotpot an enormous distance. Middle Right: Tri-Captains **Brian Savarino, Dan Lounsbury,** and **Jon Symond** with Coach DiSanto and Coach Losi.

The Boys Winter Track Team was lacking depth this year but there was no shortage of talent **Brian Savarino** made his presence known by leading the team in the 600M. **Max Solie** led the hurdling team and also scored points in the high jump. **Alastair Means** also competed in the high jump and qualified for the state meet in the dash. Sophomore Alex Barbati qualified in the mile, while Junior Shawn Tagan came on strong in the 100M. **Dan Lounsbury** qualified for states in the two-mile and awarded All-Star honors for his efforts.

Mr. DiSanto became the third new head coach in three years for the Winter Track Team. He and assistant coach Ms. Losi plan to elevate the program to become more competitive within the Middlesex League during the upcoming years.

CLUBS & ORGANIZATIONS

CLUBS & ORGANIZATIONS

What would Melrose High School be like if there were no clubs or organizations? Life at MHS would be pretty dull for sure. The students who are involved in the clubs that define our school have served as officers or members and have contributed countless hours to plan exciting activities, not only for a certain club but for the pleasure of the entire school. By being involved in clubs, the students have learned to take on various responsibilities and have not only added to the rich Melrose community but the school's environment.

ANIMAL RIGHTS

The Animal Right club was established to raise the awareness of unnecessary cruelty to animals throughout the school. After starting the year off with the Victorian fair, the club members made informational signs and hung them on the walls in the school. The club was advised by the dedicated (and sometimes wacky) Ms. Hiti.

As members of the Animal Rights Club, **Christina Leonard,** Mary Borja, **Vanessa Roman, and Alison Akell** attend the Victorian Fair Melrose Center.

DRAMA

In honor of a little, old man named Arthur Miller-the drama club chose to start out our fall season with a bang by performing the Crucible. The play certainly was a challenge- the final length was almost three hours, but we somehow we got through it. We had sold out performances every night. We had singing, dancing, and acting- all on a taxi cab . . . . all right, I'm through lying . . . so what if we didn't sell as many tickets as FAME? Anyway, we drew a good crowd, including our biggest supporter, Dr. Burke (no pun intended). For our competition show, our tricky director, Ms. Hiti (a.k.a. Furby) chose a play with thirteen male parts and two female parts. Like most drama clubs, we have a serious shortage or guys (especially Australian ones), but we made up for it by casting the football team (that was a joke). This male-dominated, communist play was Waiting For Lefty. In March, we performed it at the Massachusetts Drama Guild Festival, where it was a huge success. Along with four coffeehouses, the talent show, and partying at Kowloon, the drama club had a fab year! Many thanks to Tanja, Furby, the Balines, and of course Buffy the Vampire Slayer!

Viva España

During February vacation, Mrs. Wheeler accompanied by her husband and Mrs. Cocchiara, took fifteen students to Spain. The trip lasted nine days and included Madrid, Toledo, Cuenca, Valencia, Tarregona, Montserrat, and Barcelona. The students enjoyed some of the finest Spanish cuisine, and spent one night learning how to make tapas, the Spanish "snack." Also included was a night at a Flamenco Show where everyone watched with awe the men and women move with incredibly fast feet. The last night was spent at a club in Barcelona called Maremagma. Everything went very well except for Mrs. Wheeler's small fall and a sprained ankle, but that did not stop her from enjoying a great week in Espana.

Best Buds Charlotte Daher and Liz Perkins pose in front of the Stonehenge on a cloudy day in England.

A majestive view of the Arc De Triomphe . . . a fine work of French architecture.

Upper: Alisha Murphy and Allison Nordberg take the time out of their long bus ride to pose for a picture. *Left:* From left to right: Back Row: C. Daher, L. Perkins, A. Murphy. Center Row: D. DesRoches, T. Cronin, L. Shanahan, Ms. Hamway, A. Nordberg, L. Crawford; all pose for a group shot in the Cathedral of Salisbury in London, England.

A picture of Buckingham Palace in London, England.

Led by Ms. Hamway, eight MHS girls traveled to England and France. In England they visited Buckingham Palace, Tower of London, Stonehenge and all the other major attractions that the country had to offer. The group then hopped on a ferry and crossed the English Channel to Normandy, France. There the girls visited the beaches where the battles were fought in World War II. On their way to Paris, the girls stopped to see many ancient churches and cathedrals. On arrival of Paris, they saw the Eiffel tower, Arc De Triomphe, Versailles, Notre Dame and many other Parisian sights. After traveling to these two foreign countries the girls left with great memories.

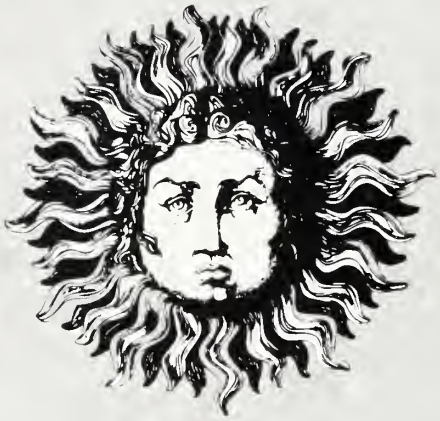
IN MEMORY

OF

MR. SOMERVILLE

This year, Melrose suffered a great loss. One of its finest and most respected passed away. His name was Cliff Somerville. He was a teacher, a coach, a father, and a husband. In each of these aspects Mr. Somerville was exemplary, which made him the great man he was and will always be remembered as. Almost every student who passed through the doors of Melrose High School had Mr. Somerville as a coach or a teacher in the more than 30 years he worked here. In each of these students he has left a lasting impact and touched them in some way. The contributions he has made from his selfless donation of time, expertise, and caring are invaluable. Mr. Somerville was a remarkable man who shall never be forgotten in the minds and hearts of all who had the pleasure of knowing him.

UNDERCLASS



Underclassmen

Underclassmen Make Their Way to the Top

From Freshmen's first impressions to Junior's anticipation of the year to come, underclassmen add to the profoundness of Melrose High School. Freshmen adjust to the surroundings by making lasting memories and setting the stage for their future at MHS. Sophomores have another year of high school experience and while reflecting on their past years are still making new impressions and mastering the ropes of our school. Juniors, with only one year left to go are able to give the Freshmen and Sophomores something to aspire to for their future in MHS. Juniors ponder on their past years while still under the guidance of the Senior class.

Thanks to the generous contributions of local businesses, parents, and students, we are able to reminisce upon our memories from the '00-'01 school year. The purchase of the following ads allowed the yearbook staff to create a book which, at a reasonable cost, could be sold to students and businesses and cherished forever. The business staff would like to thank everyone who supported Log 2001 through their ad contributions. As we all go our separate ways it is still possible to reflect back on our experiences throughout our high school career.

CLOSING

So we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won't be coming back
No more hanging out cause we're on a different track
And if you got something that you need to say
You better say it right now cause you don't have another day
Cause we're moving on and we can't slow down
These memories are playing like a film without sound.

So if we get the big jobs and we make the big money
When we look back at now will our jokes still be funny?
Will we still remember everything we learned in school
Still be trying to break every single rule?

Will we think about tomorrow like we think about now?
Can we survive it out there? Can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us around
Will these memories fade when I leave this town?
I keep thinking that it's not goodbye
Keep on thinking it's our time to fly

As we go on, we remember
All the times we had together
And as our lives change, come whatever,
We will still be, friends forever.

Time is one of the great mysterious concepts in the universe. Through our short time together we have worked, played, laughed, and cried, and now its time to go our separate ways wherever the path may lead. Yet, how can we say goodbye to our friends and teachers that were always there when we have needed them? Well, we are not exactly leaving them because no matter what has happened during the past four years or what the future holds, Melrose High will forever be a part of us, along with the people we met there and everything it stands for.

Graduation came and went and our time together concluded. We have always dreamed of marching to receive a diploma while our fellow students, friends, and family cheer us on, and now that the dream is a reality, it is even harder to let go to what we have worked so hard to establish: wonderful, unforgettable friends, positive reputations, and character. It is now time to enter the real world and take what we have learned at Melrose High with us wherever we go. Even if some of us become doctors, scientists, lawyers, movie stars, professional athletes, or wherever our future takes us, it will be impossible to forget the memories we have shared. Also, we have this log to help us reflect on those memories we are so thankful for. We hope you have enjoyed reflecting upon the past and now we will close this log, however not with a goodbye, but "until we meet again."
